1.2.2 Evaluation of the tenders shall be done as per the following system:

Two packets System:

The procedure detailed below shall be adopted for dealing with "Two Packets System" of Tendering:

With a view to assess the tenders technically without being influenced by the financial bids, 'Two Packets System of tendering' shall be adopted. In this system, the tenderers shall submit their quotations/offers in two sealed envelopes; with one cover containing the Technical & Commercial offers and the other cover containing the Financial Bids. The first packet shall be with the objective of scrutinizing the capability, financial strength, experience etc. of the tenderers.

The technical details and commercial conditions shall be read out before the tenderers or their representatives at the time of opening of tenders and the same shall be evaluated by the Tender Committee. The offers of the tenderers who qualify the minimum eligibility criteria as below shall be examined further for evaluation of their technical bid. Tenderers who fail to meet the criteria shall not be considered for further evaluation and their bids shall be rejected.

However, if on the basis of information contained in the first packet, the Tender Committee needs clarification regarding designs, specifications etc.; discussions shall be held with each individual party/tenderer after obtaining approval of the Competent Authority.

If the technical offers are found acceptable by meeting the minimum qualifying marks as mentioned in clause 1.2.2.2, the second packet shall be opened and the tenders shall be processed for finalisation in the normal manner (eligible lowest bidder). Those tenderers who do not meet this criterion shall not be considered for opening their financial bids.

Minimum Eligibility Criteria

A. Work Experience:

The tenderer should have in the Qualifying period (i.e., current year and three previous financial years) completed at least one similar single work* or received payment against ongoing similar work for a minimum value of 35% of the advertised tender value.

*Similar work means cleaning of Railway station/Municipal area/covered under Central/State Govt./Airports/major corporate entities having annual turnover of Rs. 150 Cr. Or more by mechanized or non-mechanized means.

Notes:

- The tenderer shall submit separately in bunch duly stapled super scribed details of work executed by them in the prescribed format as per Appendix-16 for the works to be considered for qualification of work experience criteria. Documentary proof such as completion certificates from the client clearly indicating the nature/scope of work, actual completion cost and actual date of completion for such work should be submitted. In case work is executed for private client documentary proof such as copy of work order, Bill of quantities, Bill wise details of payment received certified by CA, TDS certificates for all the payments received, copy of final/last bill paid by the client should be submitted. The offers submitted without this documentary proof shall not be evaluated.
- Value of successfully completed portion of any ongoing work up to the last day of the previous month of tender submission will also be considered for qualification of work experience criteria.

B. Financial Standing: The tenderers will be qualified only if they have minimum financial capabilities as below:-

- T1- Turnover:** The bidder should have turnover/contractual receipts during the last three financial years and in the current financial year equal to a minimum of 150% of the advertised tender value. Financial data for the last four/ three audited financial years, as applicable, has also to be submitted by the tenderer in Appendix-17 of Form of Tender along with audited balance sheets. The financial data in the prescribed format shall be certified by chartered accountant with his stamp, signature and membership number. Also, if the tenderer provides no or NIL financial data for any of the above financial year, then his application shall not be considered and summarily rejected. Audited and signed Balance Sheet (as on 31st March) and Income Statement for the 3 consecutive years in the last 4 financial years, as applicable, shall be submitted by the bidder.
- T2-Liquidity:** It is necessary that the firm can withstand cash flow that the contract will require until payments received from the Employer. Liquidity therefore becomes an important consideration.

This shall be seen from the last audited balance sheets and/or from the banking reference. Net current assets and/or documents including banking reference (as per proforma given in Appendix-13 of Form of Tender), should show that the applicant has access to or has available liquid assets, lines of credit and other financial means to meet cash flow of **₹14,74,350/-** (5% of the estimated value of the work) for this contract, net of applicant's commitments for other contracts, as certified by the CA. Banking reference should contain in clear terms the amount that bank will be in a position to lend for this work to the applicant. In case the Net Current Assets (as seen from the Balance Sheets) are negative, only the Banking references will be considered. Otherwise the aggregate of the Net Current Assets and submitted Banking references will be considered for working out the Liquidity.

The banking reference should be from a Scheduled Bank in India or (in case of foreign parties) from an international bank of repute acceptable to RAILWAY ADMINISTRATION and it should not more than 3 months old as on date of submission of bids.

Notes:

- Financial data for latest last five audited financial years has to be submitted by the tenderer in Appendix- 17 of Form of Tender along with audited balance sheets. The

financial data in the prescribed format shall be certified by Chartered Accountant with his stamp and signature. In case audited balance sheet of the last financial year is not made available by the bidder, he has to submit an affidavit certifying that 'the balance sheet has actually not been audited so far.' In such a case the financial data of previous 4 audited financial years will be taken into consideration for evaluation. If audited balance sheet of any other year than the last year is not submitted, the tender will be considered as non-responsive.

- Where a work is undertaken by a group, only that portion of the contract which is undertaken by the concerned applicant/member should be indicated and the remaining done by the other members of the group be excluded. This is to be substantiated with documentary evidence.

C. The bidder must have valid ISO 9001: 2008, ISO 14001: 2004 and OHSAS 18001: 2007 or the bidder must have IMS certification. This certificate(s) must be valid on the date of opening of tender. As proof of validity, the bidder must attach a copy of the certificate issued by the certifying agency and also the last surveillance audit report, if applicable. Surveillance Audit and Re-certification, if due during the currency of the contract, will have to be ensured by the contractor.

Self-attested copy of the referred certificates latest surveillance audit report issued by certifying agency shall be submitted by the bidder along with the tender document in Appendix 19 as per the given format.

Notes:

- Financial data for latest last five financial years has to be submitted by the tenderer in Appendix-18 of Form of Tender along with audited financial statements. The financial data in the prescribed format shall be certified by the Chartered Accountant with his stamp and signature in original.
- The offers of tenderers who qualify ALL the above criteria as per clause 1.2.2 shall be examined further for evaluation of their technical bid. Tenderers who fail to meet the above criteria shall not be considered for further evaluation and their bids shall be rejected.
